

# Invitation

## Hospital PPPs in Italy - A briefing

**Milan, 26 May 2005, 17:00**

Following the financial close of the Mestre hospital PPP on 19 April 2005, the international law firm Norton Rose and the International Project Finance Association, together with the collaboration of Finlombarda S.p.A., the European Construction Institute and the British Consulate-General/UK Trade & Investment, will be holding a briefing that will provide an overview of the key issues and lessons learned from Mestre and examine the future outlook for Italian hospital PPPs in 2005/06.

*The briefing will be held in Italian and participation is free of charge.  
See instructions below for registration details.*
